

Take 3 Virtual

CEO Clean-Up Frequently Asked Questions

- **How will the Clean Up run virtually?**

Take 3's Virtual CEO Clean-Up runs from 1 October until 15 December 2021. There are 3 key ways to participate:

Raise Awareness of the Plastic Pollution and Litter Crisis

Pick it up. Snap it. Share it! - Throughout the event dates, any time you are out and about, pick up 3 pieces of rubbish, take a photo and upload it across your social channels using the hashtag #Take3CEOCleanUp

Fundraising opens 1st October 2021. Share far and wide with your networks, colleagues, companies, employees and friends. Encourage others to donate via the ceocleanup.com page against your name to be added towards your fundraising goals. We have great sponsors and loads of prizes that will be awarded monthly. Also up for grabs is the opportunity for one CEO to be the Take 3 Corporate Ambassador for 2022.

The CEO Clean Up Week - Monday 15th until Sunday 21st November 2021

During this week, dedicate a couple of hours at a local park, beach or waterway collecting as much litter as possible to fill your Take 3 hessian bag. Remember to take a photo with your filled bag to upload and/or send to us. (This is how we will best be able to measure how much litter is collectively removed by CEOs around the World during this week!).

- **What do I do with the rubbish I collect?**

Dispose of your collected litter and rubbish responsibly and thoughtfully, including separating anything that can be recycled. We recommend that you dispose of your collected rubbish into your rubbish bins at home or commercial bins at work before your weekly waste collection. If you're unsure what can be recycled check on your local council's website.

- **How to stay safe during my Clean Up?**

We recommend keeping the following in mind to ensure your time spent cleaning (& protecting wildlife) is a safe and positive experience.

1. Wear gloves at all times.
2. Be aware of glass, syringes, contaminated waste products and asbestos,
3. Drink water and stay hydrated,
4. Be cautious of wildlife, insects, ticks and leeches,

5. Be aware of steep slopes, rocks, holes, eroded gullies, roots, sticks, vines and submerged stumps and low hanging branches.
6. Wash your hands thoroughly after the clean-up
7. Observe all Covid-19 restrictions in accordance with your State/Territory/Country and maintain social distancing.

- ***Why is there a registration fee this year?***

A small part of the fee goes towards administration and running costs of this virtual event. Your registration fee also includes your own clean-up kit with gloves for safety and a Take 3 hessian bag for rubbish collection, to ensure plastic bags are not used.

- ***Where do I deposit the money?***

All money raised can be donated online via ceocleanup.com, or if you've collected cash donations, follow the instructions on your Letter of Authority to Fundraise.

- ***When do I need to deposit the money?***

Please donate all funds raised by 10am on Wednesday 15th of December.

- ***Will my donors receive a receipt for their donation?***

Yes. Receipts are emailed out to the address submitted immediately after the donation is processed at ceocleanup.com

- ***How much am I expected to raise?***

As much as you can! A \$3 donation to Take 3 helps educate one person on plastic pollution and waste through Take 3 Education programs, so any donation makes a difference! Whether your organisation can raise \$100, \$1,000 or \$10,000, every dollar will help us achieve our strategic goals by 2025 to:

- Remove 50 million pieces of rubbish from the environment
- Educate 3 million students through Take 3 Education programs
- Reach 30 million people with our message of eliminating plastic waste

- ***What do I do once registered?***

Once you've registered:

- Choose a date between Monday, 15th November and Sunday 21st November 2021 to designate as your CEO Clean Up day
- Consider your fundraising plan. Consult the *Fundraising Ideas* document and other resources on ceocleanup.com/resource and share it with your networks!

- Raise awareness of the Plastic pollution and litter crisis - Start to *'Pick it up. Snap it. Share it!'* and share on your socials using the hashtags #Take3CEOCleanUp.

You will receive a Letter of Authority to Fundraise and be able to pull from our Take 3 CEO Clean-Up resources to share the message with your staff and community.

- **Can I participate if I'm not a CEO or General Manager?**

While the Virtual CEO Clean Up is open to CEOs, General Managers and Directors, it's the whole organisation who drives the fundraising! If you're not a CEO, General Manager or Director, we urge you to share support for your leader and help your organisation raise vital funds for Take 3.

You can nominate your CEO or Managing Director on ceocleanup.com/nominate-a-ceo/ and they will be invited to participate.

- **Will you provide any resources to help me fundraise?**

Once registered, you will receive additional resources to help fundraise within your organisation and networks, which you can share across your social media, website and emails. We've also got some downloadable templates, posters, fundraising ideas and more on our [resources](#) page to help you.

- **Can I choose my own location to do the CEO Clean-Up?**

Yes. For your chosen day during Clean Up Week, choose a location close to your home or usual place of work.

- **How do you recommend I go about encouraging others to join in?**

You can use the downloadable resources on ceocleanup.com/resource to share the message and encourage others to join.

Spark conversations with others in your networks about the growing threat of plastic pollution and indicate that participating in the Take 3 CEO Clean-Up is an excellent way to tackle the issue head-on.

- **I don't have time, but I'd still like to help – how can I assist in another way?**

Take 3 relies on the support of our community to achieve our strategic goals:

- Remove 50 million pieces of rubbish from the environment
- Educate 3 million students through Take 3 Education programs

You can support the achievement of these goals and clean oceans by donating directly to our cause. All funds donated to Take 3 are allocated to our programs that help clean the oceans and educate people about plastic pollution and waste.

1. Head to ceocleanup.com
2. Under Donations, you can support a specific CEO or simply give to the cause

Where does the money go?

A \$3 donation to Take 3 helps educate one person on plastic pollution and waste through Take 3 Education programs, so any donation makes a difference!

As a registered charity, we are obligated to invest donations in programs and activities that restore and enhance the natural environment. Your contribution will support our education programs in schools, surf clubs, communities and online.

- ***I'd like to support Take 3 again after the CEO Clean-Up, do you have a workplace giving program, or are there any events coming up?***

Yes! You can support Take 3 at any time by donating through our website at www.take3.org/donate

Take 3 is also included on the major Australian Workplace Giving networks such as Benevity, GoodCompany and Catalyser. Email us at info@take3.org for further details.

Sign up to our newsletter to stay in touch and hear about Take 3 events and programs in the footer of take3.org

Finally, Take 3 has numerous corporate programs from Sponsorship to Corporate Leadership workshops. If you are interested, please email us at info@take3.org

- ***What else does Take 3 for the Sea do?***

Take 3 delivers education programs and campaigns to schools, surf clubs, communities and online.

- Take 3 has educated over 500,000 students from 400 schools, 40 surf clubs and countless communities around Australia
- Our global movement #Take3fortheSea has been recorded in 129 countries
- Our international community are removing over 10 million pieces of rubbish from the environment every year
